

Bob Korth, The "Ask Bob" Columnist

Bob Korth hails from southern Oregon and writes the Ask Bob column for several paper publications across the country. Although a USA certified Bronze level coach, more than anything Bob is a very accomplished bowler. He was recently recognized by the ABC for being the only man to shoot 800 series in 5 straight decades.

His first was in Seattle Washington in 1965. He used a Brunswick TracMaster, a hard rubber ball. Bob was able to shoot an 824 series on June 3rd 2001 to take the Oregon state all events record away from Marshall Holman. Bob's 9 game total was 2316. Bob has carried a 200 average for 40 straight years and he has done it both right and left handed. Bob also won the Senior High Roller in August 1998, where he defeated Jerome Lee. Medford Oregon went 1-2 that year. First place was a nice \$30,000. We are very proud and honored to call Bob Korth one of the best the Region has had to offer.
